DEDICATION SEVENTYEIGHT DEDICATION

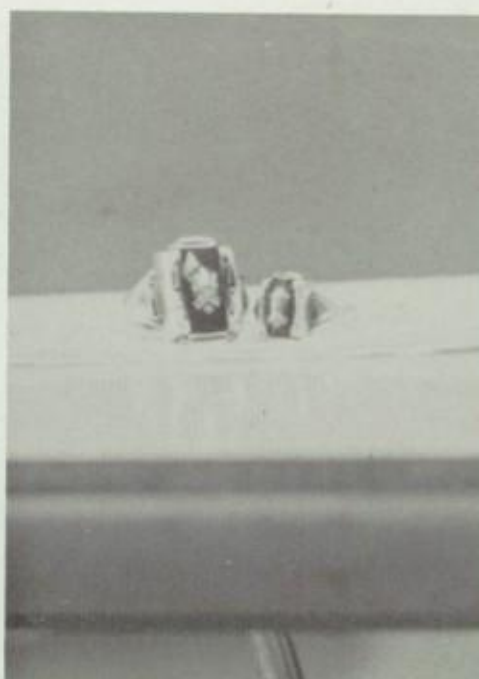

We, the Graduating Class of 1978, dedicate the Oriole to Mr. Jerry Schwengles. You have helped us through three of our four years by being a helpful and devoted advisor. We thank you for all the work you have performed with our Prom and our Building Trades Class. Not only have you assisted our class, but you have improved the morale of the Senior Boys by teaching them responsibility and giving them

the pride that comes from accomplishing an important task. Only with your help could these achievements have been made.

Best of Luck to you in attaining your future goals.

GUS KOCOS has taught 11 years and likes teaching Social Studies because, "it is not boring to me and does not appear boring to my students. I especially like my Freshman course in History to 1877 because this is my first year of teaching this course."

Knowledge: the act of having a great understanding of matters.

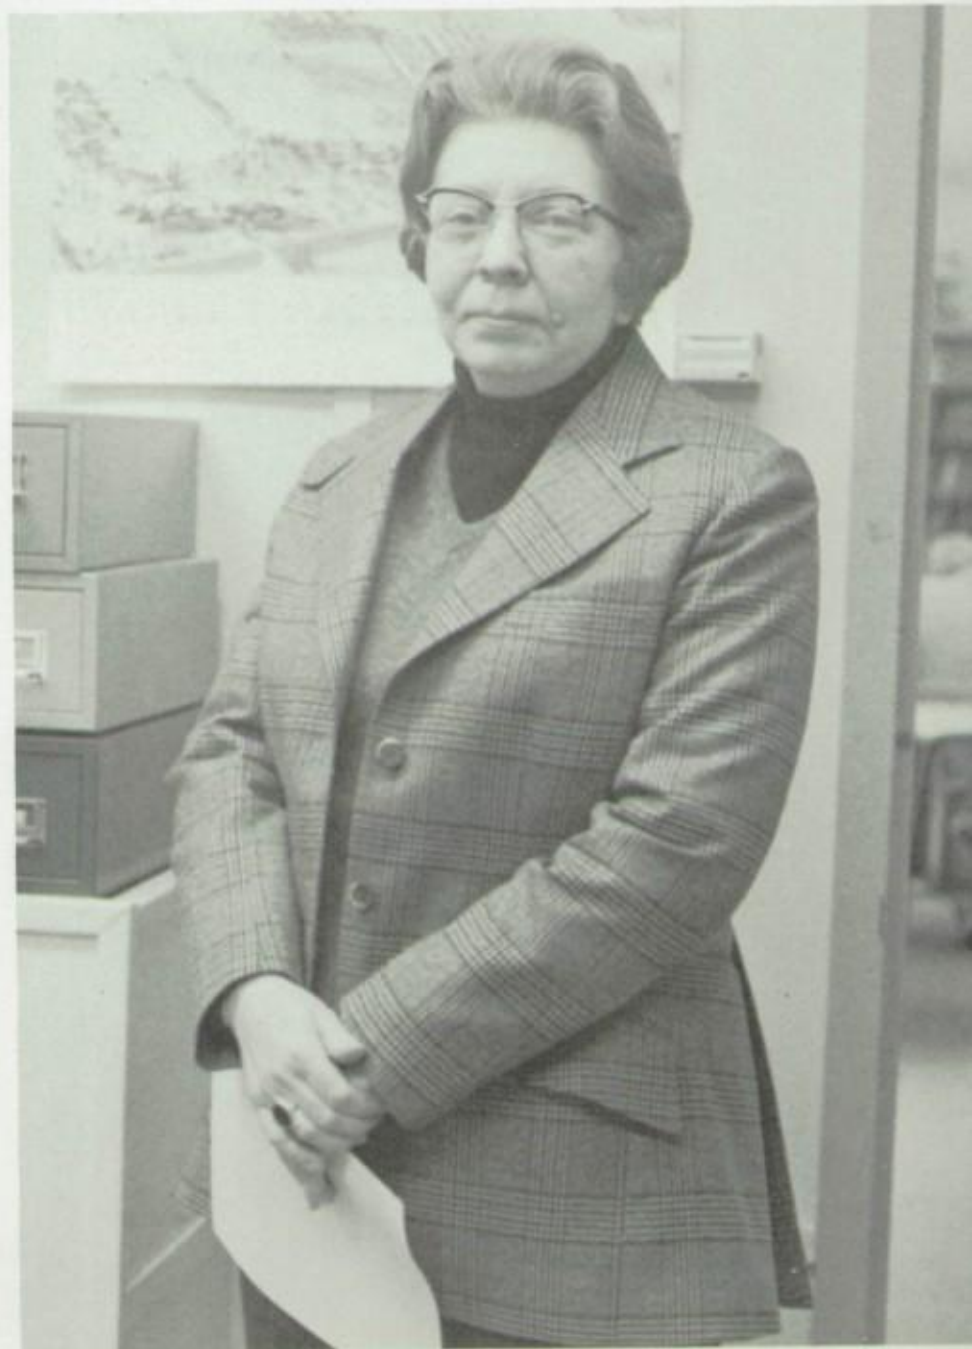

STAN JOHNSON has taught music classes for 3 years at HM.

LOUIE PAYNTER has taught 1 year at HM and refuses to answer why he likes to teach "on the grounds that it may tend to incriminate me".

RICHARD WEINBERGER has taught shop classes for 2 years at HM.

BARBARA DUE has taught 21 years at HM and likes teaching English and History classes because she thinks they are important in creating an educated, humane person.

"So many things that bring us pleasure are a direct result of the role art plays in our culture. We see it in our architecture, clothing, advertising, furnishings, automobiles, literature, etc. All too often we are unaware of the tremendous impact art has on our daily existence."

JENNIFER NOE has taught for 5 years at HM and likes the challenge in working with special education students and feels that its a very rewarding experience when you succeed with a student.

(Left) Sherry Frieberg and Debbie Gorske handle the never ending secretarial duties at Horace Mann. Their efficiency keeps the programmed aspect of a student's life in order. It's nice to know they're always there and we deeply appreciate their helpfulness.

Without the non-teaching staff of the school—the janitors and cooks—the school couldn't operate very well. Pictured below are: Loretta Meinke, Don Fink, Elaine Redmann, and Germaine Patt. Our malts, hamburgers, and varied weekly lunch menu make everyone anxious for the noon bell to ring.

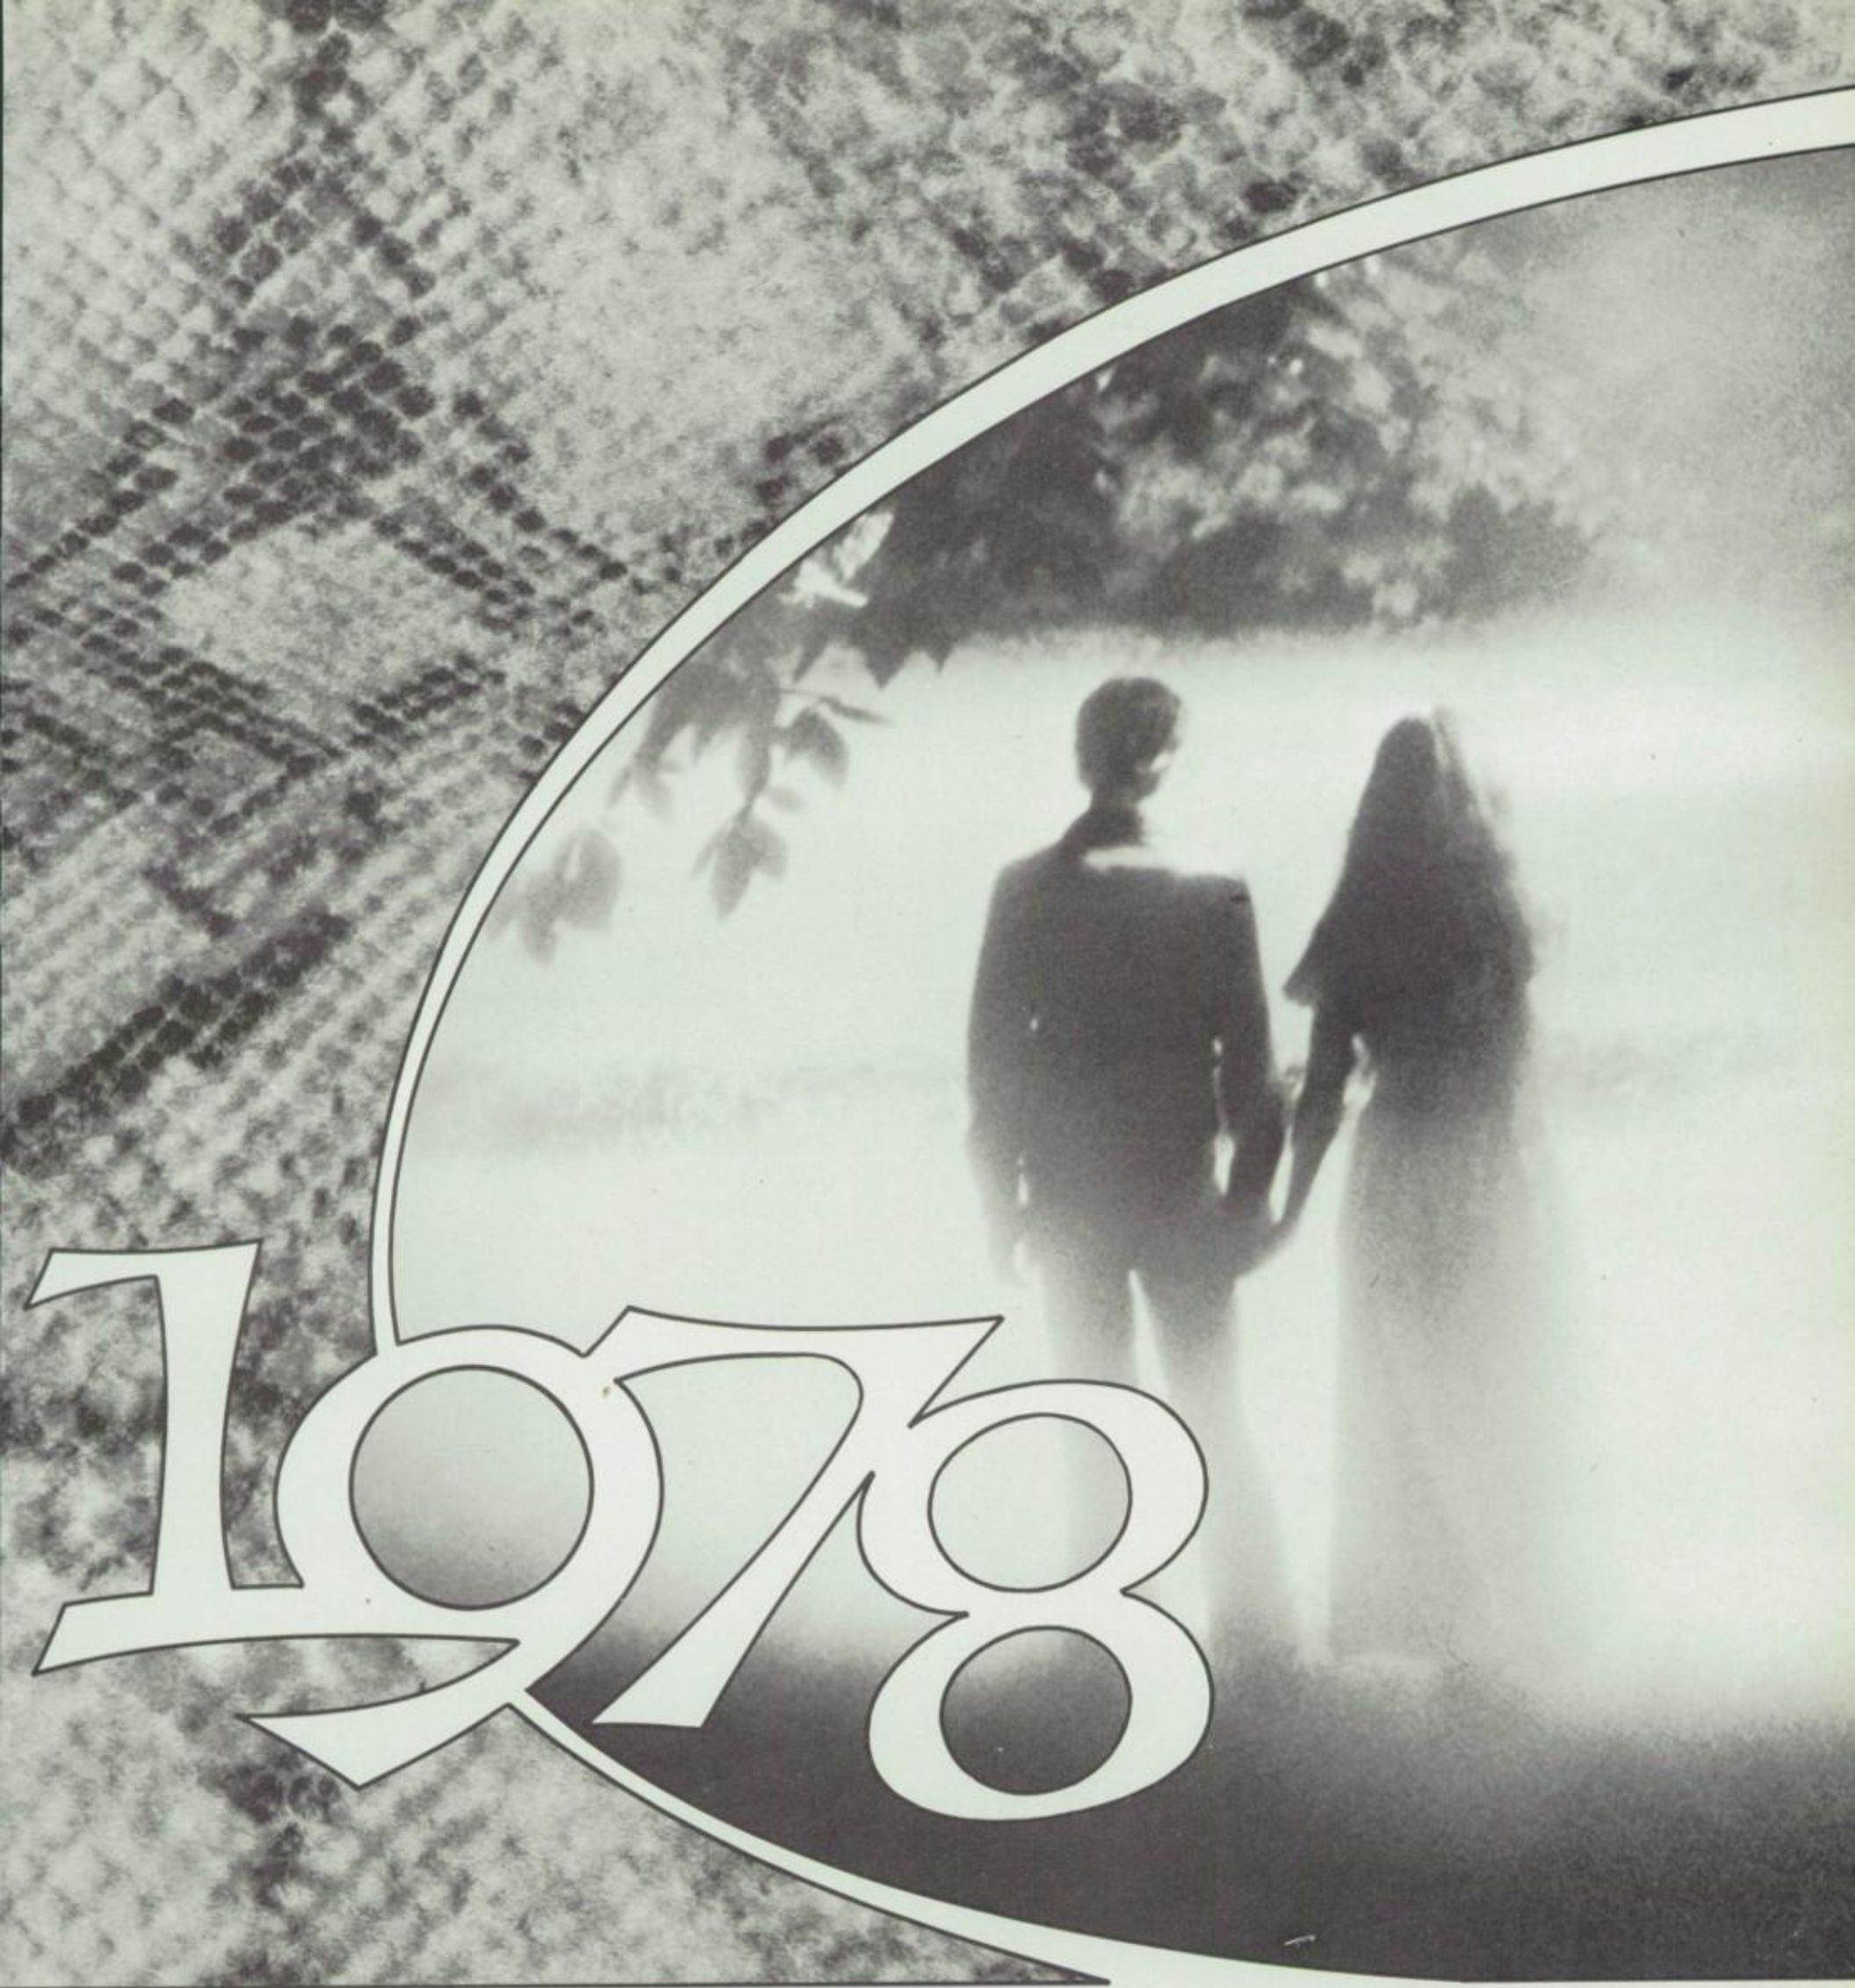

(Bottom) We would like to extend our thanks to the entire maintenance crew for the job they do in keeping our school in shape. This maintenance crew consists of (left-right): Jim Lamb, Mel Lamb, Cliff Rockweit, Dennis Steinke, Dick Knutson, and Royal Goodman.

Mr. Paynter replied, "I was only an advisor, the guys themselves did most of the house, they even helped the sub-contractors. They deserve a lot of credit for doing such an excellent job."

We the Seniors of the 1977 Girls Volleyball Team would like to take advantage of this opportunity to express our appreciation to a very special person who has played a tremendous role in our past 3 years of volleyball. This special person is, of course, Miss Chris O'Rourke.

This special lady took us from a group of girls who just knew how to play a basic volleyball game when we were Sophomores to our Senior year where we had two Conference Championships, two Regional Championships, a Sectional Championship, and a crack at the State Championship.

To sum up all of our experiences is to say, "We have made our dreams come true and someday the North Fondy Girls Volleyball Team will be known as "The State Champs!"

To you, Miss O'Rourke, we say, "Good-bye", and "Thanks", for being one of the best coaches this school could ever have, but most of all for being... 'OUR COACH!'

Love,

Braatz Sets New Meet Record

The Third Annual Optimist Fox Valley High School Power Lifting Championships here at HM were held on April 15. 138 students participated from 64 high schools. Our members that placed at this meet were: T. Cruz—fifth place (132 lb. class), H. Gyr—third place (165 lb. class), P. Braatz—second place (181 lb. class), J. Redmann—third place (198 lb. class), J. Schrank—fourth place (242 lb. class), and D. Goodman—second place (Super Heavy). Pete Braatz made a new meet record of a squat lift of 405 lbs. for the 181 lb. class. Braatz was also winner of the drawing for the power lift bench.

(Left) The proud Powerlifters consist of: Hansie Gyr, Dave Goodman, Brian Moser, Pete Braatz, Jeff Schrank, and Jeff Redmann. Tim Cruz, the seventh member, was not present for the picture.

The Senior Powerlifters—B. Moser, D. Goodman, and P. Braatz—are often found working out in the weight room.

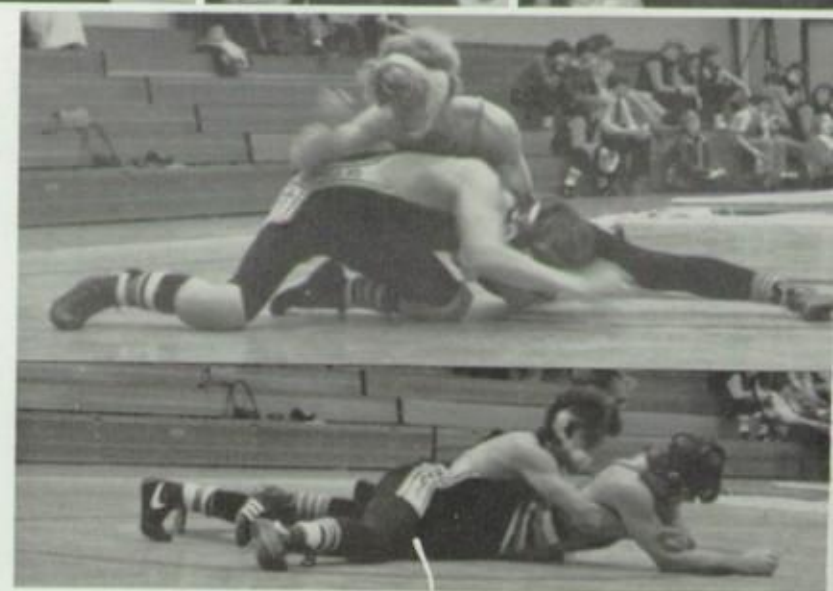

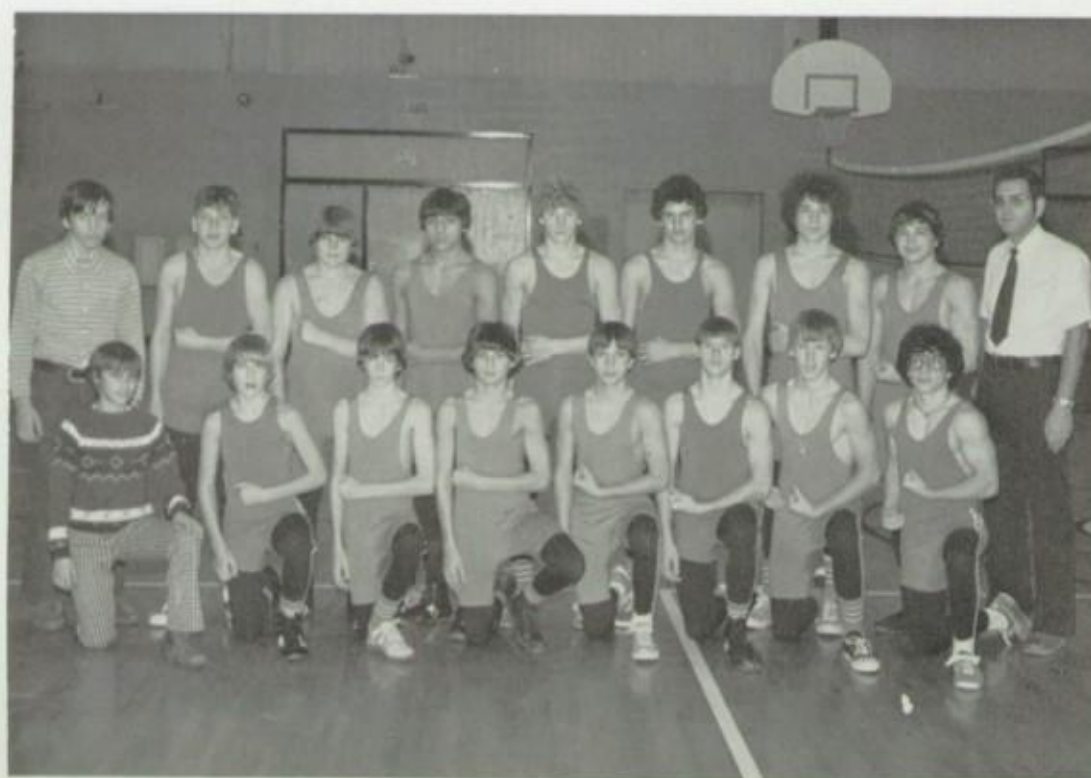

Members of the Super 1000 Club, which truly shows their strength and ability, are: (left—right) J. Redmann, H. Gyr, P. Braatz, and D. Goodman.

WRESTLING!!!!

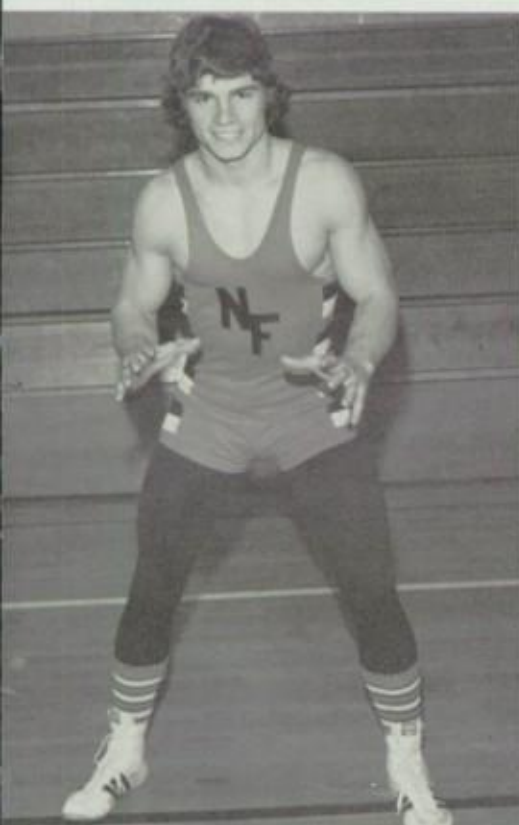

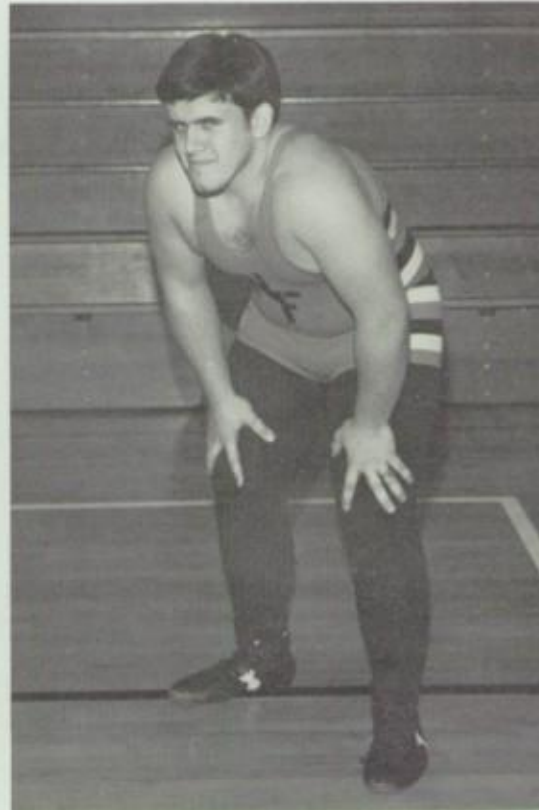

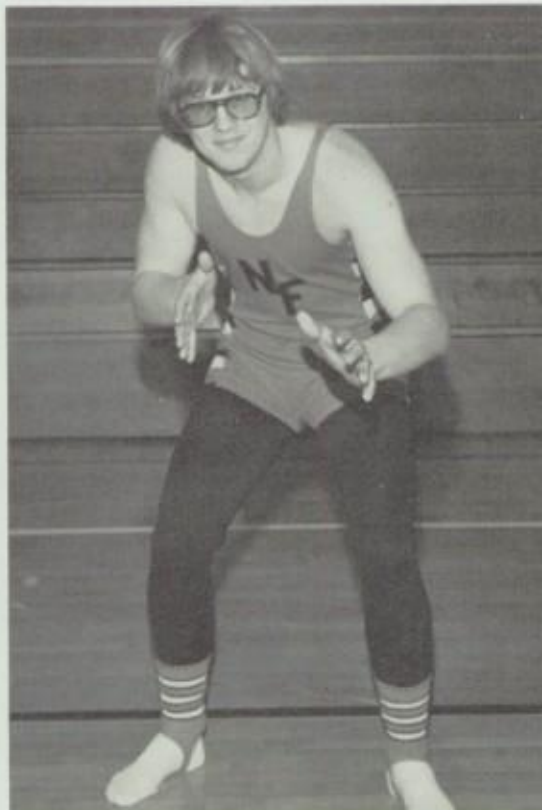

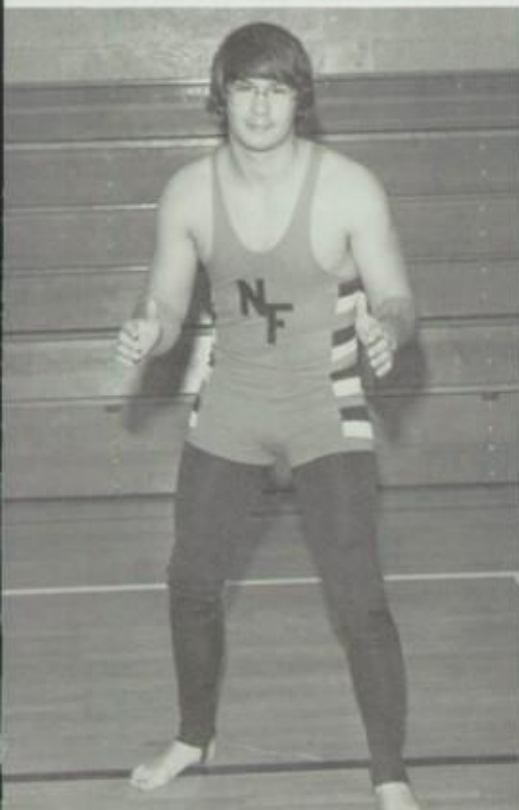

The wrestling teams have a lot of spirit and quite a few new members. The squad was encouraged by the vast improvement in quite a few individuals.

The 1977-78 Varsity Wrestling Squad: (Kneeling) Mgr. Ron Patt, Boyd Jacobson, Jeff White, Al Hoffman, Pete Haase, Bret Barnes, Dave Olsen, (Standing) Coach Cohen, Steve Schwartz, Brian Moser, Scott Schmidtke, Mark Abler, Glenn Schoener, Dave Goodman, Mgr. Kevin Goodman.

The JV Wrestling Squad: (Kneeling) Mgr. Ron Patt, Brian Treffert, Mike Bell, Glenn Phillips, Ward Laiten, Terry Thurk, David Streblow, Tim Cruz, (Standing) Mgr. Kevin Goodman, Kevin Thiede, Ron Keller, Craig Blumke, Steve Behnke, John Rady, Steve Pass, Steve Mortensen, Coach Weinberger.

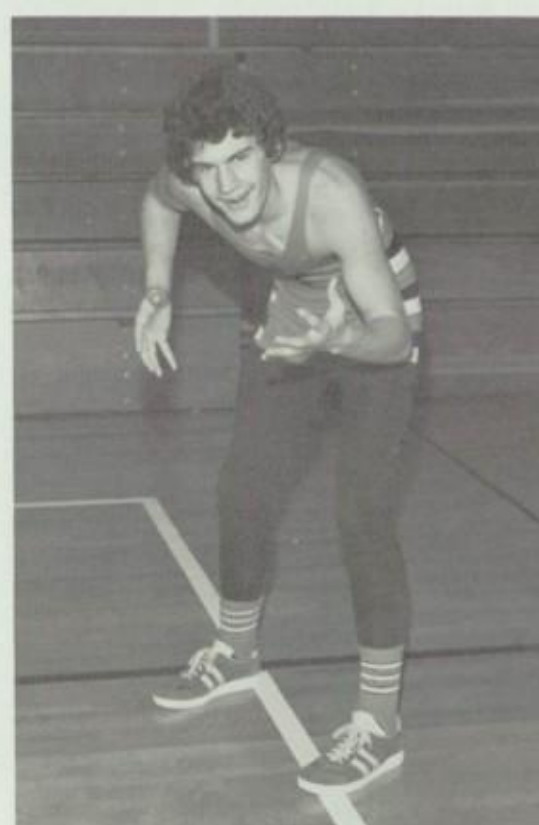

SENIOR WRESTLERS

Scott Schmidtke

Coach's Comments: Obviously a dual meet record of 0 and 13 is disappointing. Many times our wrestlers gave away strength and experience to opponents. Bright points this season were the leadership examples set by senior wrestlers and the underclassmen who gained experience in participation. If the number of returning wrestlers lives up to the example set by the seniors, we should be able to improve.

Building Dreams of Dust in the Wind

All Our Dreams

On May 6th 1978, the Junior Class presented All Our Dreams. (Dust in the Wind.) Reigning King and Queen were Dean Hessler and Julie Hess. Other members on the court were Mark Abler, Carol Moser, Jim Semenas, Joy Stollfus, Steve Schwartz, Becky Ziegler, Ann Kohn, Tom Schry, Ann Kellogg, John Goldapske, Terry Mortensen, and Gordy Hills. Resigning King and Queen were Ray Lindvall and Lori Jacobs. Music was provided by Paradox with Post Prom's entertainment by Commandor Cody. UPPER RIGHT: Tickets and greeting people were the jobs of Jean Scherck and Pam DeRusha. Serving the people at the dance with a smile were Debbie Halsey, Robin Oelke, and Shelley Hinkley.

The Class of 1978—Motto: "We Shall Live to Carry Out Peace."

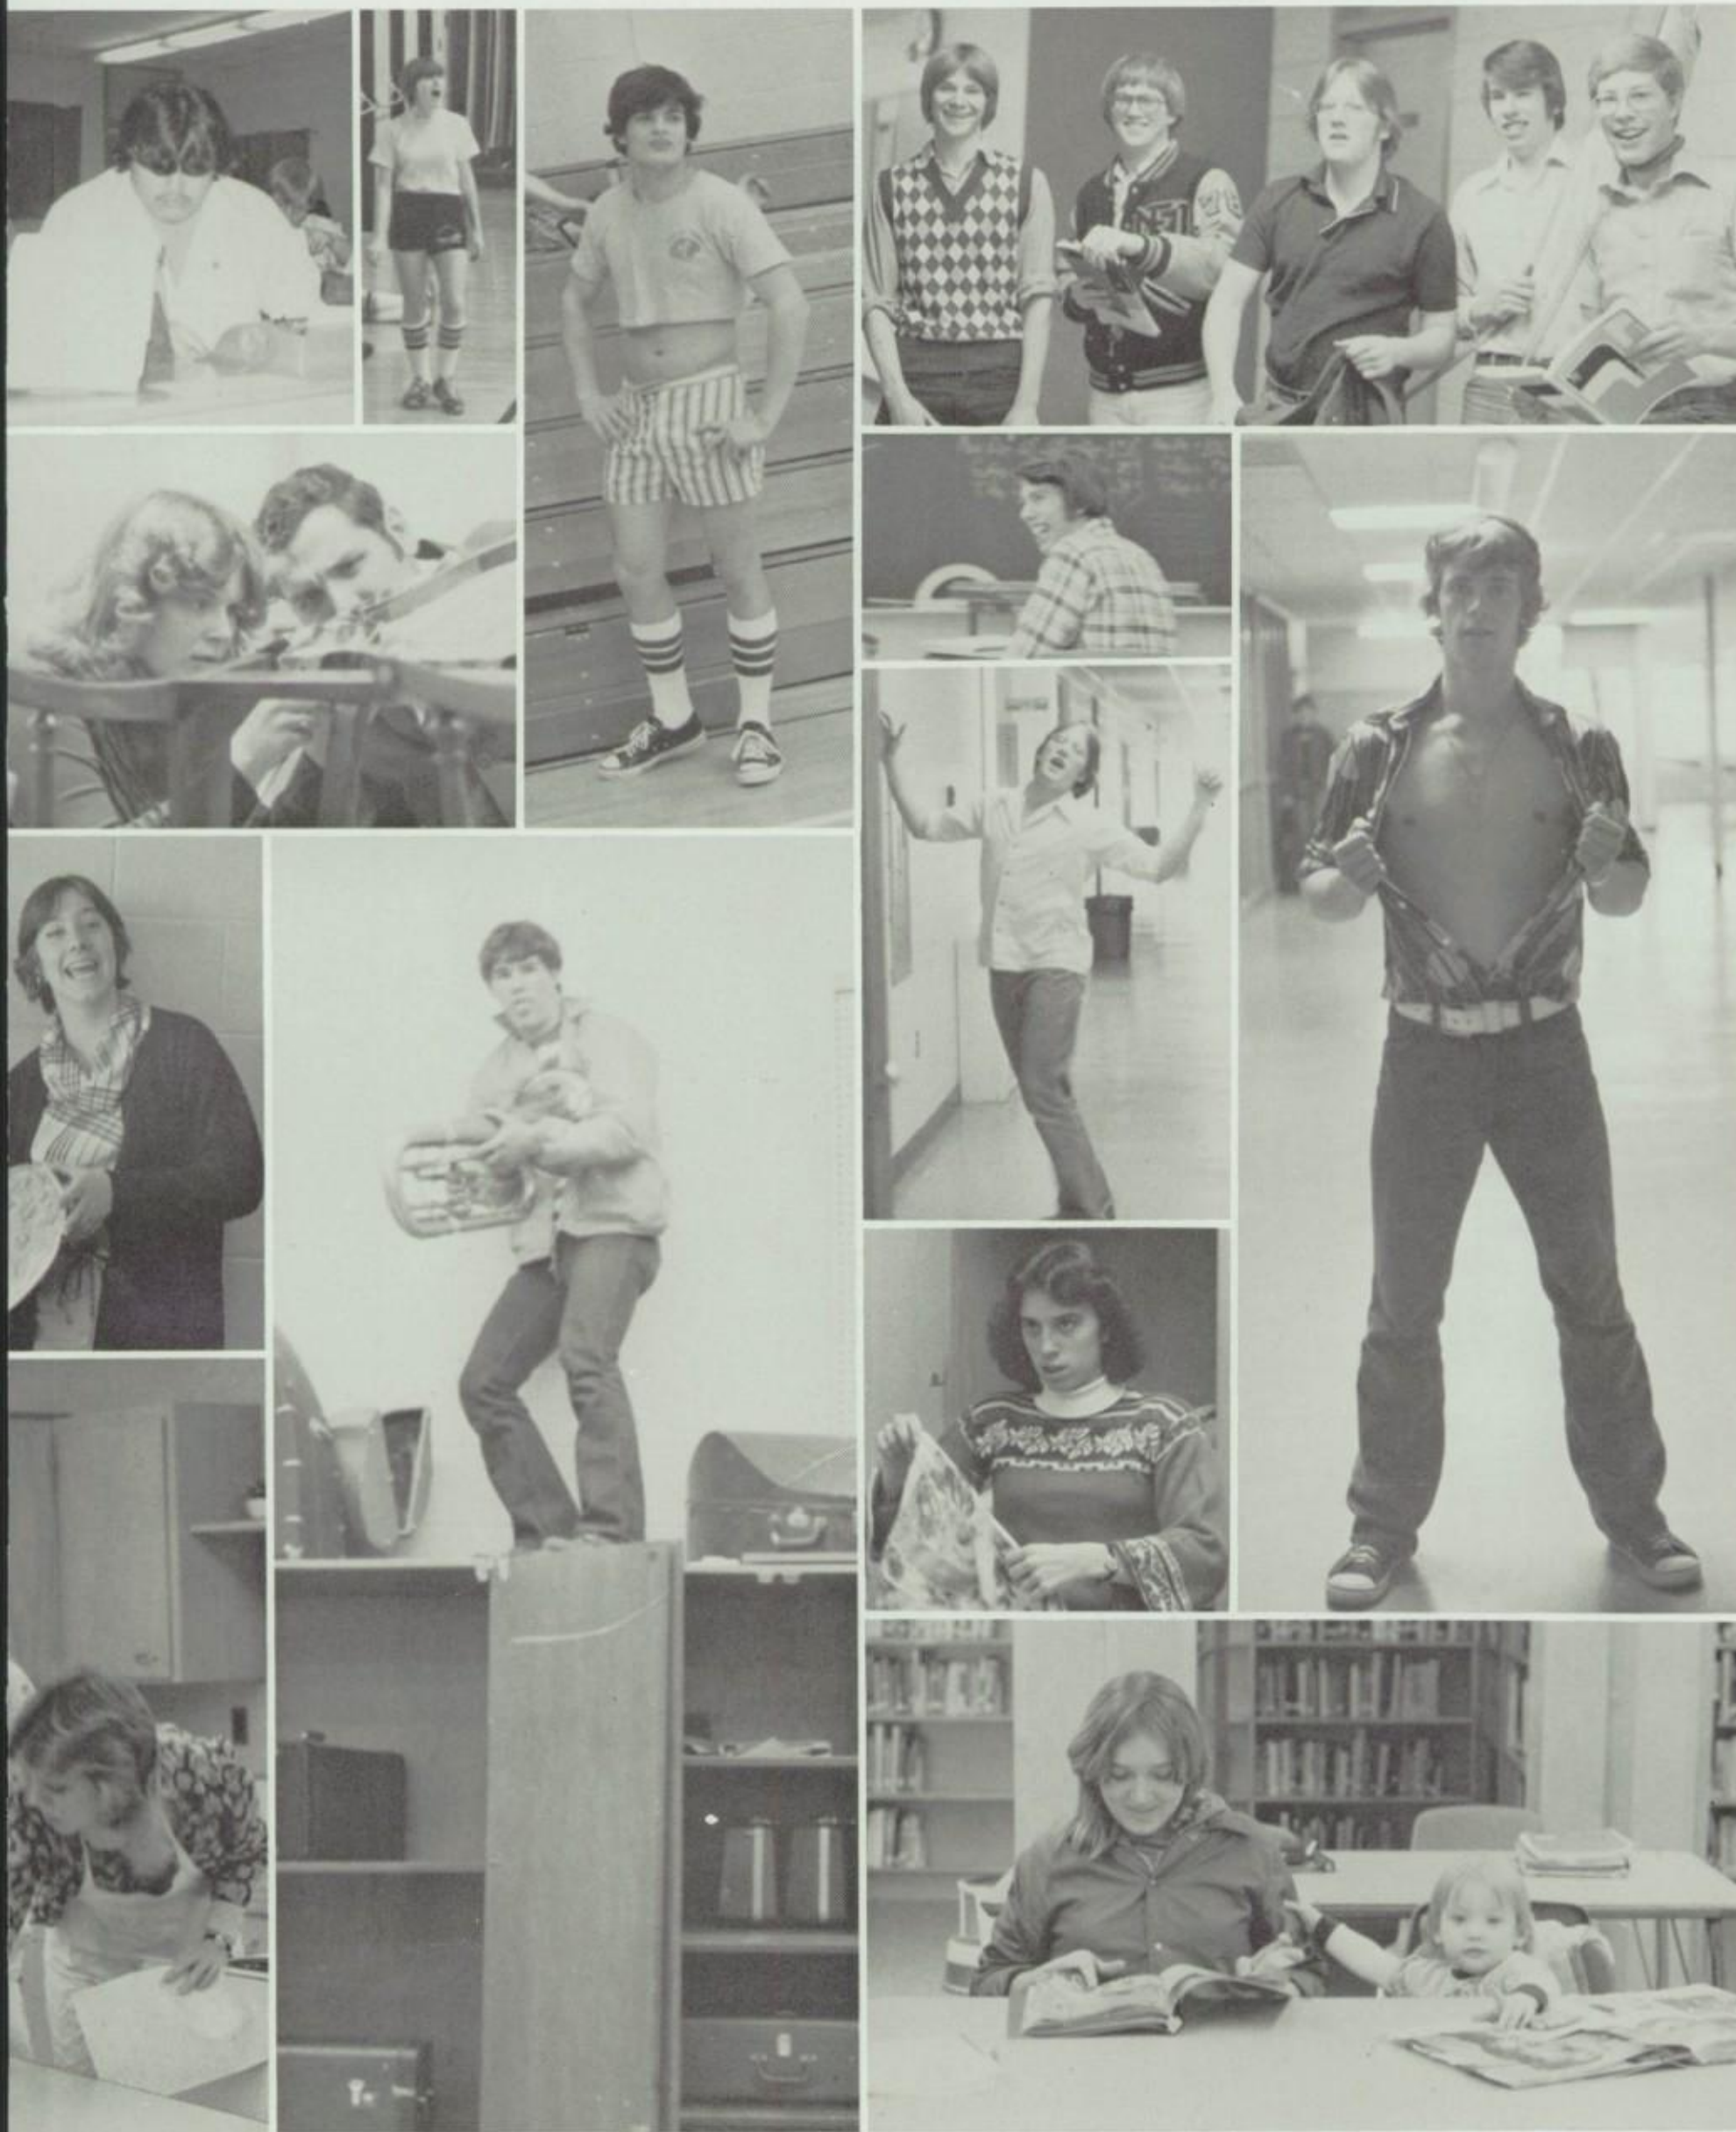

(Above right) The 1978 Class Officers were: Vice Pres. Steve Wirtz, Sec. Carla Anthes, Treas. Cindy Conrad, Pres. Steve Lieske.

(Above Left) Advisors Mr. Paynter, Mrs. King, and Mr. Totos, whose assistance during the years has been deeply appreciated. The Class of '78 has had some rough spots and some great times the past four years. As Freshmen we beamed as our float, "We'll Whip 'Em" got 3rd in the homecoming parade. Remember working at Steffs' house and listening to our theme song "We're Gonna Boogie Tonight"? As Sophomores,

ordering our rings and winning the spirit stick made our year. We also watched as our float fell apart on the way to school. When our Junior year rolled around, fighting the School Board for a out-of-school Prom brought TV 11 into Horace Mann Halls. We lost, but we still made our world of "Nights are Forever" beautiful. And now we are Seniors saying our last goodbyes . . . We again stuck to our guns as we went after the School Board to get our Senior Banquet out of school. Again we lost, but we pulled a fast one with the last "punch."

Not Finished, Just Begun

So now we finally say farewell
To friends we've known for years
With a few handshakes, a few last laughs,
Some memories and some tears.
But our journey has just begun.
And though one road has come to an end,
There's a new one we must travel on
And it's just around the bend.

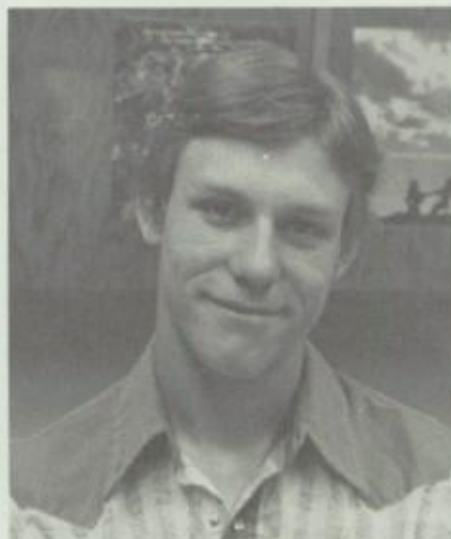

And a new life will begin for us
Fresh as the morning sun
For though one's journey comes to an end,
We've not finished we've just begun.
It's gonna be hard to say good-bye
To friends we've always known.
But, the friendships never really end,
Their seeds have just been sown.
And I know we never will forget
The many happy days
As we follow different paths
And go our separate ways.
And a new life has begun for us
Fresh as the morning sun
For though one's journey comes to an end,
We're not finished we've just begun.
